This Order memorializes the rulings made at the December 13, 2011 conference in this matter. A status conference is scheduled for January 20, 2012 at 2:30 p.m.

1. *New Jersey Department of Environmental Protection:*

- a. Plaintiffs shall reduce the size of their nineteen (19) trial site delineations by January 16, 2012.
- b. With the exception of interrogatories 4, 30, 39, and 46, Plaintiffs shall:

- i. identify hard-copy documents produced in response to Defendants' March 2010 interrogatories by Bates ranges, on an interrogatory-specific basis, by January 20, 2012.
- ii. supplement their responses to Defendants' March 2010 interrogatories by January 18, 2012, in the manner discussed at the December 13, 2011 conference.

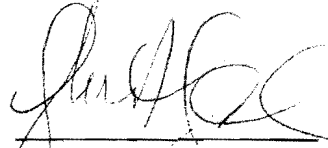

Plaintiffs may limit their supplement responses to materials relevant to the nineteen (19) trial sites, subject to the reduced delineations they shall make pursuant to paragraph (a) above.

- d. Subject to the reduced delineations Plaintiffs shall make pursuant to paragraph (a) above, and subject to their own further investigations, Defendants shall begin to reduce the number of additional release site files that they seek from Plaintiffs, and be prepared to discuss this matter at the next conference.

2. *Yosemite Springs Park Utility:*

- a. The close of expert discovery is extended from January 31, 2012 to February 29, 2012. **No further extensions will be granted.**

SO ORDERED:

A handwritten signature in black ink, appearing to read 'Shira A. Scheindlin', written over a horizontal line.
